## § *Clauses*

1. **Jointly and Severally Liable**
   If the Premises are rented by more than one person, each Tenant is jointly and severally liable for the payment of rent and performance of all other terms of this agreement.

2. **Security Deposit**
   Upon signing this Lease, Tenant shall provide Landlord with a security deposit in the amount set forth on the first (1st) page of this Lease (the “Security Deposit”), not to exceed two (2) month’s rent. The Security Deposit shall be held by Landlord, or by a third-party for the benefit of the Landlord, during the term of this Lease in a separate federally insured account. The Security Deposit shall not bear interest, unless required by law in the jurisdiction where the Premises is located. a. The Security Deposit may be used upon the expiration or earlier termination of this Lease to reimburse Landlord for unpaid rent or for expenses or damages incurred by Landlord as a result of Tenant's failure to comply with any provision of this Lease or to meet the obligations imposed on Tenant by applicable law. Tenant may not use the Security Deposit for the payment of rent at any time during the term of this Lease. b. If Landlord makes any such application of Tenant’s Security Deposit, Tenant shall be required to pay additional money during the term as may be necessary to maintain the Security Deposit at the required amount. Any deficit in the Security Deposit shall be due and payable by c. Tenant upon demand by Landlord. Failure to pay any amount required to maintain the Security Deposit shall be chargeable to Tenant and subject to late fees. d. If Landlord sells or transfers ownership of the Premises for any reason, Tenant's Security Deposit shall be transferred to the new landlord. The new landlord shall then become solely responsible for return of Tenant's Security Deposit. After the transfer, Tenant shall be provided with the name and address of the new landlord. e. The Security Deposit and any accrued interest, less deductions permitted by this Lease or law in the jurisdiction in which the Premises is located, shall be returned to Tenant within thirty (30) days after the expiration of this Lease. Deductions from the Security Deposit may include, but are not limited to, any unpaid rent, costs to repair damages to the Premises not due to ordinary wear and tear, costs to remove any alterations or improvements, and any other unpaid charges owed to Landlord including late fees. Any deductions from the Security Deposit shall be described by Landlord in an itemized statement to accompany the return of the balance of the Security Deposit. Tenant agrees to provide a forwarding address in writing to Landlord to receive the return of the Security Deposit. In the event Tenant fails to provide a forwarding address, the Security Deposit and statement will be sent to Tenant's last known address, which may be the Premises, and Landlord shall not be liable for Tenant's delayed receipt of, or failure to receive, the Security Deposit and itemized statement. f. If the Premises are rented by more than one person, Landlord may refund the Security Deposit to any Tenant identified in the first paragraph of this Lease and shall thereafter be released from further obligation to any and all Tenant(s) with regard to the Security Deposit. Tenant understands and agrees the Security Deposit is not to be considered by Tenant as payment of the last installment of monthly rent at the end of the term.

This lease was created using Avail landlord software.

3. **Possession**
   Tenant shall be permitted to take possession of the Premises at the commencement of the Lease. If Landlord cannot deliver possession of the Premises at the commencement of the Lease term, the rent shall be abated until the Premises are available for occupancy by Tenant, or Tenant may terminate this Lease upon written notice to Landlord. Landlord shall not be liable to Tenant for any consequential damages to Tenant arising as a result of Landlord's inability to give Tenant possession of the Premises at the commencement of the Lease term.

4. **Condition of Premises**
   Tenant has examined the Premises before accepting possession and before the execution of this Lease and is satisfied with the physical condition of the Premises, including but not limited to the heating, plumbing, and smoke detectors. Tenant's acceptance of possession shall constitute conclusive evidence of Tenant's receipt of the Premises in good order and repair as of the commencement of the Lease term. Landlord or his agent has made no promises as to the condition or the repair of the Premises to Tenant unless they are expressed in this Lease or a rider attached to this Lease signed by Tenant and Landlord or his agent. No promises to decorate, alter or repair the Premises have been made by Landlord or his agent unless expressed in this Lease.

5. **Limitation of Liability**
   Except as provided by state or local law or ordinance, Landlord shall not be liable for any damage (a) occasioned by failure to keep the Premises in repair; (b) for any loss or damage to Tenant's property wherever located in or about the building or Premises, or (c) acts or neglect of other tenants, occupants or others at the building.

6. **Use of Premises**
   The Premises shall be occupied for residential purposes only, and only by the persons disclosed in this Lease and on the Application for this Lease submitted by Tenant in connection with the renting of the Premises. Tenant shall not engage in any activity, which will increase the rate of insurance on the property. Tenant shall not allow trash to accumulate in the common areas of the Premises or allow objects to be thrown from windows. Tenant shall not hang objects out of windows or place objects on windowsills or ledges, which may fall and injure persons below. Tenant shall not keep any pet in the Premises without written permission being first obtained from Landlord. If Tenant has a documented disability recognized under federal, state, or local law that requires a service animal, Tenant shall inform Landlord in writing and request an accommodation. Tenant shall not use porches for cooking, sleeping or storage of furniture, bicycles or other items of personal property. In no case shall Tenant allow porches or decks to be overloaded or occupied by more people than would be reasonably safe based on the condition of such porch or deck.

This lease was created using Avail landlord software.

7. **Appliances**
   Tenant shall not install any air conditioning, heating or cooling equipment, dishwashers, clothes washers or dryers, or other appliances in any portion of the building or Premises occupied by Tenant without first obtaining Landlord's written permission to do so. All such appliances installed by Tenant shall be maintained in good working order by Tenant and removed by Tenant at the expiration of the term of the Lease. Any damage caused by appliances installed by Tenant shall be the responsibility of Tenant and Tenant shall reimburse Landlord for the cost of repair of any damage caused by such appliances.

8. **Disturbance**
   Tenant agrees not to play televisions, radios, musical instruments, or musical playback equipment in a manner which disturbs other Tenants. Tenant shall maintain the volume of such equipment at reasonable levels. Also, Tenant agrees to limit playing of such equipment between the hours of 10:00 p.m. and 7:00 a.m. to a volume that cannot be heard by persons outside of the Premises. Additionally, Tenant shall refrain from disturbing other tenants' peaceful enjoyment of their premises and require other persons at the Premises with the consent of Tenant to refrain from disturbing other tenants. Tenant shall be responsible for any and all costs, fines, penalties, assessments, or other amounts assessed to Landlord as a result of disturbances caused by Tenant or its invitees.

9. **Access to Premises**
   Tenant shall permit Landlord access to the Premises at all reasonable times subject to the notice requirements of applicable law or ordinance to inspect the Premises; to make any necessary repairs maintenance or improvements; to supply necessary or agreed upon services; or to determine Tenant's compliance with the provisions of this Lease. In the event of an emergency or where repairs in the building require access to Tenant's Premises, Landlord may enter without prior notice to Tenant, without the same being considered a forcible entry by Landlord. Tenant's failure to provide such access is a breach of this Lease, and Landlord shall be entitled terminate this Lease in the event such access is denied by Tenant.

10. **Sublet or Assignment**
    Tenant shall not sublet the Premises or any part thereof, nor assign this Lease, without obtaining Landlord's written permission before sublet or assign. Landlord shall not unreasonably withhold permission and will accept a reasonable sublease as provided by ordinance.

11. **Liability for Rent**
Tenant shall continue paying rent and all other charges for the Premises to the end of the term of this Lease, whether or not the Premises becomes vacant by reason of abandonment, breach of this Lease by Tenant, wrongful termination by Tenant, or if Tenant has been evicted for breach of this Lease, to the extent said obligation for rent has not been mitigated, abated or discharged, in whole or in part, by any law or ordinance. Notwithstanding any of the provisions contained in this section, Landlord shall make a good faith effort to re-let the Premises (but not in priority to other vacancies), and if the Premises is re-let, Tenant shall be responsible for the balance of the rent, costs, advertising costs and attorney's fees incurred by Landlord enforcing this provision.

12. **Binding Effect**
If Tenant shall violate any covenant or provision of this Lease, Landlord shall have the right to terminate this Lease or Tenant's right to possession pursuant to the Lease upon appropriate legal notice to Tenant. If Tenant assigns this Lease, with or without Landlord's permission as required by this Lease, the covenants and conditions contained in the Lease shall nonetheless be binding on the assignee as if assignee had signed the Lease. Nothing contained in this paragraph shall preclude Landlord from commencing legal proceedings against any assignee of this Lease who obtained possession from the party named as Tenant in this Lease without Landlord's written permission.

13. **Attorney's Fees**
In the event of a lawsuit arising out of this tenancy and so long as permitted at law, if the Landlord is the prevailing party, Landlord shall be awarded reasonable attorney's fees as provided for by court rules, statute or ordinance, including all costs associated with appeals, enforcement of the judgment, and collection.

14. **Remedies Cumulative**
Landlord's remedies contained in this Lease are cumulative and are in addition to, and not in lieu of, any other remedies granted to Landlord pursuant to this Lease or applicable State or Local Law or Ordinance.

15. **Fire or Casualty**
If the Premises, building or any part of the Premises shall become uninhabitable because of fire, explosion or other casualty, Landlord and Tenant shall have all of the rights provided by state or local law or ordinance. For purposes of this paragraph, Landlord's good faith effort to obtain insurance adjustments, settlements or awards to obtain sufficient funds to perform repairs made necessary due to fire, explosion or other casualty shall be deemed diligent efforts to repair the building within a reasonable time.

16. **Security Gates or Bars**

The installation by Tenant of any metal gates or bars on doors or windows is dangerous and strictly prohibited. Tenant shall immediately remove any metal gates or bars upon notice by Landlord. Landlord shall have the right to immediately remove any metal gates or bars at Tenant's expense if Tenant fails to do so upon notice. Tenant grants Landlord access to the Premises at all reasonable times to remove metal gates or bars. In addition to all the costs of enforcement of this paragraph 22, including reasonable attorney's fees incurred by Landlord in enforcing this provision, Tenant shall pay the cost of repairing any damage to the Premises caused by the installation or removal of the metal gates or bars upon demand by Landlord. In addition to the preceding, the installation of metal gates or bars is a breach of this Lease, entitling Landlord to terminate Tenant's right to possession of the Premises pursuant to this Lease and commence proceedings to dispossess Tenant from the Premises.

17. **Mechanic's Liens**

Tenant shall not place or allow to be placed on the Premises, the building or elsewhere on the real property, any mechanic's lien or any other claim for lien for any repairs, maintenance, alterations or modifications performed by, ordered by, or contradicted by, Tenant, regardless if the repairs or were rightfully performed or ordered by Tenant. The placement of any such lien is a breach of this Lease, and upon ten (10) days' notice to cure the lien or lien claim, Landlord may terminate Tenant's tenancy or right to possession. Also, Landlord shall have the right to satisfy and remove the lien regardless of its merits. Furthermore, Tenant shall be responsible for the damages, costs, and attorney’s fees incurred Landlord in removing the lien.

18. **Rules and Regulations**

Tenant agrees to obey the Rules and Regulations contained in this Lease and any attachments. Also, Tenant agrees to obey further reasonable Rules and Regulations established by Landlord during the pendency of this Lease. The Rules and Regulations are incorporated into and made a part of this Lease. Failure to observe the Rules and Regulations is a material breach of this Lease. In the event of such breach, Landlord shall be entitled to terminate Tenant's right to possession under this Lease upon ten (10) days' notice and shall further be entitled to such rights and remedies as provided by applicable state or local law or ordinance.

19. **Subordination of Lease**

This Lease is subordinate to all mortgages which may now or hereafter affect the real property of which the Premises forms a part. The recordation of this Lease, or any memorandum thereof by Tenant shall constitute a material breach of this Lease. Additionally, Landlord may require Tenant to execute an estoppel during the term of the Lease if requested by its lenders. Tenant shall execute such estoppel documents promptly upon request by Landlord or Landlord’s lender.

20. **Severability**
    If any provision of this Lease, or the application thereof to any person or circumstance, is invalid or unenforceable, then in each such event the remainder of this Lease or the application of such provision to any other person or any other circumstance (other than those as to which it is invalid or unenforceable) shall not be affected, and each provision hereof shall remain valid and enforceable to the fullest extent permitted by all applicable laws.

21. **Utilities**
    Unless otherwise agreed in writing, if the Premises is separately metered for utilities, Tenant shall pay the utility company or authorized metering agency directly for all applicable charges for gas, electricity, water and other utilities serving the Premises, including, if applicable, telephone, internet, cable, and current used for electric heating, ventilation, air conditioning, hot water, and yard maintenance etc., as such charges become due and payable.

22. **Renters Insurance Required**

24. **Criminal Activity**
    It is understood that the use, or possession, manufacture, sale, or distribution of an illegal controlled substance (as defined by local, State, or federal law) while in or on any part of this housing project or rental unit is an illegal act. It is further understood that such action constitutes material non-compliance with the Lease. Such violations may be evidenced upon the admission to or conviction of a drug violation in any local, State or Federal court. Notwithstanding anything in this section, Tenant acknowledges Landlord’s right to initiate eviction proceedings pursuant to Mo. Rev. Stat. 441.710 et seq., upon evidence of drug-related activity enumerated within that chapter.

25. **Continuous Occupancy and Extended Absence**
Tenant shall maintain continuous occupancy of the Premises, and not allow the same to remain vacant for any period in excess of twenty-one (21) days without notifying Landlord of such vacancy seven (7) days in advance. If the Premises are not clean and in good repair when Tenant returns possession to Landlord, Landlord or his agent shall replace the Premises to the same condition of repair and cleanliness as existed at the commencement of the Lease term at the expense of Tenant. Tenant shall not cause or permit any waste, misuse or neglect to occur to the water, gas, utilities or any other portion of the Premises.

If any such safety device is defective, Tenant must notify Landlord in writing immediately.
